

INVESTING in **Innovation** ADVANCING the **Specialty**

2025
ANNUAL REPORT

Message from the Chair

David L. Basi, DDS, PhD
OMS Foundation Chair

Investing in the Future of Oral and Maxillofacial Surgery

As we reflect on a year of progress and transformation, the OMS Foundation stands at an exciting crossroads – honoring our legacy while boldly shaping the future of oral and maxillofacial surgery. Guided by a renewed strategic vision and strengthened by the generosity of our supporters, 2025 has been a defining year of momentum, innovation and purpose.

The OMS Foundation continues to be a cornerstone of innovation and dedication within the evolving field of oral and maxillofacial surgery. Committed to advancing research, education and clinical practice, the Foundation plays a vital role in shaping the future of the specialty.

Building a Strong Foundation

In 2025, we developed a new strategic plan. Carefully aligned with our evolving mission objectives, this plan reaffirms our commitment to scientific excellence while introducing innovative programs poised to redefine the specialty's landscape. The strategic planning process marked a significant milestone, as Board leaders reflected on past achievements while crafting initiatives to accelerate progress

in research, education and leadership development. The Foundation affirmed its mission and commitment to: advance research that transforms patient care; elevate educational excellence; strengthen leadership within the specialty; and foster collaboration across academic and clinical communities.

New Board of Directors

As part of its recently completed strategic planning process, the OMS Foundation announced several leadership transitions and expansions to its Board of Directors following the 2025 AAOMS Annual Meeting. The expanded Board includes three new positions designed to strengthen leadership continuity and broaden representation. These roles include Immediate Past Chair, New-to-Practice OMS Representative and Industry Partner.

With forward-looking leadership and a shared commitment to progress, the OMS Foundation stands ready to continue advancing excellence, empowering practitioners and making a lasting impact on the specialty and the patients it serves.

Launching Transformative Initiatives in 2026

Two groundbreaking initiatives are set to launch in 2026.

Ramon L. Ruiz Endowed Fellowship in Craniomaxillofacial Surgery

This prestigious fellowship honors Dr. Ramon L. Ruiz's remarkable legacy by supporting surgeons pursuing advanced training in cleft lip and palate repair, craniosynostosis and complex craniofacial deformities. With a focus on comprehensive, full-scope craniofacial education, the fellowship ensures that Dr. Ruiz's passion for surgical excellence and compassionate patient care continues to shape future generations of OMS specialists.

By investing in highly specialized training, the Foundation strengthens the pipeline of surgeons equipped to address the most complex craniofacial conditions – ultimately improving outcomes for patients and families worldwide.

OMS Faculty Leadership Educational Advancement and Development (LEAD) Award

The LEAD Award represents a bold investment in academic leadership. This prestigious \$75,000 grant will be awarded to seasoned faculty members with at least a decade of service in CODA-accredited OMS programs. The funding supports advanced degrees, professional certifications and participation in national and international educational forums.

By expanding recipients' leadership skills and academic credentials, the LEAD Award enhances the long-term strength of OMS education. It empowers experienced faculty to deepen their impact – mentoring residents, advancing scholarship and shaping the next generation of surgeons.

Together, the Ruiz Fellowship and LEAD Award reflect the Foundation's commitment to nurturing the highest levels of skill, leadership and innovation in oral and maxillofacial surgery.

Igniting Impact: The Monthly Torch Bearers Program

In addition to launching new programs, we introduced the Monthly Torch Bearers initiative – an opportunity to ignite lasting change in oral and maxillofacial surgery, one month at a time.

Through monthly gifts of \$100, \$250 or \$500, Torch Bearers provide dependable, year-round support that allows the Foundation to respond to emerging educational and research needs, fund cutting-edge scientific discovery, strengthen faculty development and prepare future leaders in OMS.

This steady generosity fuels innovation and ensures the Foundation can act strategically and proactively throughout the year.

As we look toward 2026 and beyond, we do so with confidence, gratitude and purpose. The Foundation has built a solid base upon which to grow and thrive. Every contribution strengthens our ability to support groundbreaking initiatives, cultivate emerging leaders and expand opportunities that benefit the entire OMS community. We are deeply grateful for the unwavering commitment of our donors, whose generosity continues to shape a stronger future for the specialty and the patients it serves. With your continued partnership, we will ensure that oral and maxillofacial surgery remains at the forefront of innovation and compassionate patient care for decades to come.

Together, we are investing in the future of OMS – and that future has never been brighter.

Volunteer Statement

Thank You, Dedicated Volunteers

To the OMS Foundation's dedicated volunteers – thank you. Your can-do spirit consistently transforms the “impossible” into the achievable. Alongside the hard-working Board of Directors, the Foundation is deeply grateful for the many volunteers who generously contribute their time, talent and expertise to serve on committees and champion the mission at local OMS society meetings across the country.

If you are inspired to get involved or lend your time and talents, you are invited to explore volunteer opportunities and learn more at

OMSFoundation.org

Back Row: Drs. David Bitonti, Rawle Philbert, Joli Chou, Simon Young, Joshua Segal, Peter Vellis and Gregory Ness, Mr. D. Scott Fehrs.

Front Row: Dr. Adhithi Kesari, Ms. Karin Wittich, Drs. James Baker, David Basi, Jeffrey Wallen, Brett Ferguson and Julia Plevnia.

In September 2025, Dr. David L. Basi assumed leadership of the OMS Foundation Board of Directors. Following a change to the bylaws, Dr. Brett Ferguson will continue his services as Immediate Past Chair to ensure leadership continuity.

New Directors-at-large include Drs. David A. Bitonti, Joli C. Chou, Joshua D. Segal and Simon Wai Ming Young. The Board also welcomed Dr. Julia R. Plevnia (AAOMS District V Trustee), D. Scott Fehrs (Industry Partner Director) and Dr. Adhithi Kesari (ROAAOMS Liaison).

2025 Awards

The 2025 OMS Foundation Awards recognized passion, brilliance and strength of character:

Thomas P. Williams,
DDS, MD, FACS

Torch Award

The Foundation's most prestigious award recognizes individuals who have made significant contributions and/or provided exemplary service

to the OMS Foundation. This year's award recipient is Thomas P. Williams, DDS, MD, FACS. Dr. Williams is a leader in advancing the mission of the OMS Foundation, particularly through his role in establishing the Global Initiative for Volunteerism and Education (GIVE) program – drawing on his experience providing surgical care on missions to Pakistan, Nepal, the Philippines and Colombia.

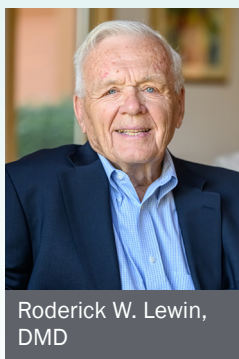

R. Bryan Bell, DDS, MD
FRCS(Ed), FACS

Research Recognition Award

This annual award recognizes those whose scientific contributions have led to a better understanding of basic disease

processes and improvement of care for patients with maxillofacial disorders. This year's recipient is R. Bryan Bell, DDS, MD, FRCS(Ed), FACS. Dr. Bell is recognized for advancing the understanding and treatment of head and neck cancers through clinical research and innovation.

Roderick W. Lewin,
DMD

Gerald E. Hanson Outstanding Service Award

This award is named after Dr. Gerald Hanson, who chaired the OMS Foundation from 2005 to

2007 and spearheaded an innovative and successful annual giving campaign. The 2025 award recognizes Roderick W. Lewin, DMD. Dr. Lewin is a retired OMS and long-term supporter of the OMS Foundation's mission. For more than 25 years, Dr. Lewin has joined surgical missions to Honduras, providing no-cost care to patients with complex oral and maxillofacial conditions.

John M. Le, DDS, MD

Dr. David Stanton Resident Research Award

Honoring Dr. David Stanton (1962 – 2020), who taught, mentored and

inspired students and colleagues at the University of Pennsylvania for 24 years, this award recognizes the resident leader of the team that published the best study with a resident author in the *Journal of Oral and Maxillofacial Surgery* during the previous year. The *JOMS* editorial Board honored John M. Le, DDS, MD, for his leadership on the paper, "Is the Use of Dexmedetomidine Upon Emergence From Anesthesia Associated With Neck Hematoma Formation Following Head and Neck Microvascular Reconstruction?"

Daniel M. Laskin Award

In recognition of the most outstanding article published in the *Journal of Oral and Maxillofacial Surgery* in 2024, the *JOMS* Editorial Board honored the authors of "Does the Use of Botulinum Toxin in Treatment of Myofascial Pain Disorder of the Masseters and Temporalis Muscles Reduce Pain, Improve Function, or Enhance Quality of Life?"

Ashley N. Houle, DDS, MD

Owen Insel, DMD

Michael Miloro, DMD, MD, FACS

Gwendolyn S. Reeve, DMD, FACS

Charlene Thomas, MS

JOMS Laskin Award Winners

OMS Foundation Funded Programs

Humanitarian

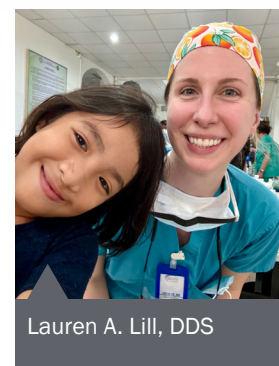

Global Initiative for Volunteerism and Education (GIVE)

The GIVE program offers residents collaborating with experienced OMS teams the opportunity to deliver humanitarian healthcare to underserved communities worldwide including Bangladesh, Bolivia, Philippines, Malawi and many more.

The OMS Foundation was pleased to award seven grants at \$2,500 each to residents to deliver healthcare around the world. A total of \$17,500 in humanitarian support was provided in 2025.

2025 Recipients

- **Talal B. Beidas, DDS** – Medical Mission of Mercy in Philippines
- **Jonathan Griffin, DMD, MD** – Philippine American Group of Educators and Surgeons
- **Delaney E. Islip, DDS** – Thousand Smiles in Mexico
- **Aram J. Keteyian, DDS** – Smile Bangladesh
- **Lauren A. Lill, DDS** – Philippine American Group of Educators and Surgeons
- **Matthew R. Moore, DMD** – Smile Bangladesh
- **Walker Wiggins, DMD** – Rice Foundation Honduras

Lauren A. Lill, DDS

Talal B. Beidas, DDS

Participating in the OMS Foundation's Global Initiative for Volunteerism and Education through the Medical Mission of Mercy USA was a profoundly rewarding

experience that significantly enriched my educational journey and solidified my commitment to future volunteer work. This week-long mission in Pangasinan, Philippines, focused on the treatment of cleft lip and palate patients, an area of oral and maxillofacial surgery in which I previously had limited firsthand exposure. Through this

experience, I gained invaluable surgical skills, engaged in meaningful patient interactions and contributed to the education of local medical residents.

This experience has inspired me to integrate volunteerism into my future career. Seeing the direct impact of surgical intervention on patients' lives reinforced my commitment to global health initiatives. I plan to continue participating in missions dedicated to cleft lip and palate treatment, both to refine my surgical expertise and to contribute to the care of underserved populations.

I highly recommend a mission like this to future residents. Exposure to a specialty area not frequently encountered in residency training

is invaluable, and the experience of working in a different healthcare setting fosters adaptability and growth. This mission not only broadened my clinical skills but also deepened my appreciation for global surgical outreach. I am grateful for the opportunity to have been a part of it and look forward to future endeavors in volunteer medical missions. Finally, this trip could not have been possible without the financial support of the OMS Foundation and its contributors through the GIVE Foundation Scholarship. I would like to extend my personal gratitude for everyone involved in making this scholarship a reality.

– Talal B. Beidas, DDS

Research

Research Support Grants

Research Support Grants are designed to advance the work of scientific investigators dedicated to addressing challenges within the field of oral and maxillofacial surgery. Each grant provides \$75,000 and is awarded directly to the recipient's institution.

2025 Research Support Grant & 2025 Stephen B. Milam Award Recipient

Temple University Kornberg School of Dentistry

"Marijuana, Anesthetic Requirements and Vital Signs"

Principal investigator: Pooja Gangwani, DDS, MPH

Co-principal investigator: Jay Patel, BDS, MS, PhD

Student Research Training Award

Provides \$12,500 over a two-year period to dental education programs that offer research opportunities aimed at attracting highly qualified health professions students to the field of oral and maxillofacial surgery, both in research and clinical practice.

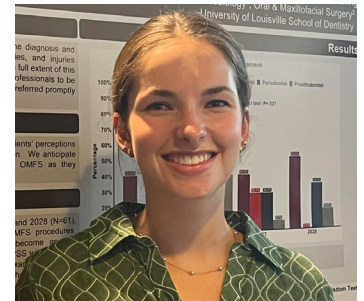

2025 Recipients

Ashleigh M. Weyh, DMD, MD, MPH – University of Illinois Chicago

Suzanne Barnes, DMD – University of Louisville Research Foundation, Inc.

Ashleigh M. Weyh, DMD, MD, MPH

Suzanne Barnes, DMD

Faculty Educator Development Award (FEDA)

In partnership with AAOMS, the OMS Foundation supports the FEDA program to strengthen the academic pipeline in oral and maxillofacial surgery. The program aims to:

- Encourage promising young oral and maxillofacial surgeons to pursue long-term academic careers.
- Support junior faculty – those with up to seven years in academic positions – in continuing their academic paths.
- Provide a financial incentive to CODA-accredited residency programs to retain qualified faculty.

The FEDA grant provides \$40,000 annually for three years, in return for a six-year commitment to an academic career. Beyond the financial support, FEDA is designed to prepare, mentor and inspire OMS faculty to broaden their impact and assume leadership roles within the specialty's critical academic institutions.

2025 Recipients

- **Felix Jose Amarista, DDS** – University of Texas Health Science Center-San Antonio
- **Benjamin T. Barbetta, DMD, MD** – Henry Ford Health System
- **Suzanne N. Barnes, DMD, FACS** – University of Louisville
- **Akshay Govind, DMD, MD, MPH, FACS** – Alameda Health System/Highland General Hospital
- **Jeffrey T. Hajibandeh, DDS, MD, FACS** – Massachusetts General Hospital

FEDA Award Winners

Resident Travel Scholarship

The OMS Foundation proudly sponsored eight travel scholarships for residents to attend the 2025 AAOMS Annual Meeting held in Washington, D.C. These scholarships support OMS residents by enhancing their educational experiences and fostering participation in the premier event for oral and maxillofacial surgeons. The scholarship covered travel and lodging expenses, helping residents from across the country participate in this valuable, in-person event.

2025 Recipients

Reid R. Boulet, DDS
 Catherine M. Florentine, DMD
 Brennan R. Leininger, DDS
 Mohammed Amir Rais, DMD
 Collin Ritchie, DMD, MD
 Isaac D. So, DDS
 James T. Vegrzyn, DMD, MD
 Peter E. Wilkinson, DDS, MD

Anesthesia Patient Safety webinar

Recognizing the need for updated emergency preparedness resources, the OMS Foundation funded the development of new crisis training tools in 2023. After reviewing outdated materials and aligning with the 2025 revision of the *Office Anesthesia Evaluation Manual*, the focus shifted to the creation of an Anesthesia Patient Safety webinar.

This comprehensive training equips OMS teams with practical strategies to conduct effective mock drills, manage stress during emergencies and enhance performance under pressure. By emphasizing preparedness and proactive response, the webinar reinforces the specialty's ongoing commitment to excellence and safety in anesthesia care.

Supporting the inaugural OMS Program Directors Conference

Investing in residency leadership, AAOMS hosted the OMS Program Directors Conference in August, made possible by funding from the OMS Foundation. Designed exclusively for OMS program directors, this complimentary one-day conference provided practical guidance on recruiting top applicants, mentoring residents, preparing for CODA accreditation and integrating non-categorical interns. Participants also engaged with partner organizations – including the OMS Foundation, ABOMS and OMSNIC – and benefited from meaningful networking and collaboration. Together, these efforts are strengthening the leadership pipeline for OMS residency programs nationwide.

Working Together

Norma L. Kelly Resident Spouse Scholarship

For over three decades, the OMS Foundation Alliance Committee has played a vital role in welcoming new families into the AAOMS community by hosting hospitality and networking events at the AAOMS Annual Meeting. These gatherings provide meaningful opportunities for both longstanding and new members to connect, foster relationships and support the Foundation's mission. In 2025, the Foundation awarded 10 Norma L. Kelly Resident Spouse Scholarships, each in the amount of \$1,000, to assist with travel expenses for attending the Annual Meeting.

2025 Recipients

- Lauren Michelle Abasheva
- Alexa Drockton
- Melan Hasquet
- Jacqueline Maasch
- Hannah So
- Hannah Whitlock

Alliance Events

The OMS Foundation Alliance hosted two events during the 2025 AAOMS Annual Meeting in Washington, D.C. These memorable events were marked by warm camaraderie, signature cuisine and meaningful fundraising efforts in support of the OMS Foundation's Global Initiative for Volunteerism and Education (GIVE) program.

Continuing its tradition of fostering community and connection, the Alliance hosted its annual spouse FUNraising luncheon and organized Health Walks to different locations through the city each day, creating lasting memories while highlighting the iconic landmarks of our nation's capital.

Foundation Faculty Lunch and Lean

The OMS Foundation sponsored its annual Faculty Section lunch at the AAOMS Annual Meeting prior to the session Navigating the Crossroads: Ensuring the Future of Oral and Maxillofacial Surgery Education Amid Uncertainty. Addressing concerns about declining OMS residency applicants and unfilled Match positions, the Foundation invited Jonah Peranson, Vice President of National Matching Services, Inc., to provide an overview of Match history and analyze the 2025 results. His insights helped faculty better understand shifting applicant trends and informed strategies to strengthen the future OMS pipeline.

Stepping into Support

While in Washington, D.C., attendees had the opportunity to step into support by making a \$50 donation to the OMS Foundation and, in return, receiving a pair of exclusive, limited-edition commemorative socks.

Custom designed for the AAOMS Annual Meeting, these stylish and meaningful socks served as a fun reminder of the event while allowing supporters to proudly showcase their commitment to the OMS Foundation's mission.

R.V. Walker Society

The OMS Foundation's Robert V. Walker Society was established in 1997 to honor Dr. Walker's myriad contributions to AAOMS, the OMS Foundation and the OMS specialty during his lifetime. Dr. Walker was a teacher, a mentor and a friend, and his commitment to education was unwavering. His namesake society was created to secure the future of the Foundation and its mission to support research, education and innovation.

Memorial and Tribute Gifts

Recognizing and remembering loved ones, colleagues and mentors through memorial and tribute gifts.

2025 Memorial Gifts

In Memory of Dr. Wayne S. Atebara

Dr. Sam E. Farish

In Memory of Claryne Cooper Berman

AAOMS

In Memory of Mrs. Kathryn L. Borg-Emery

Dr. R. W. Emery III

In Memory of Dr. John J. Dann II

Dr. Sloan M. McDonald

In Memory of Efraim Greenberg

Dr. Sharon Aronovich

In Memory of Dr. Gerald E. Hanson

Dr. Mary A. Delsol Dobon

In Memory of Mr. J Gregory Lam

Dr. M. Todd Brandt

In Memory of Dr. Daniel M. Laskin

Dr. Bryan P. Wheeler

In Memory of Mrs. Caroline Lee

Mrs. Mary Allaire-Schnitzer

Ms. Terri Bruce

Dr. W. Mark Tucker

In Memory of Ms. Arlene Molley

Ms. Kimberly Molley

In Memory of Ms. Cecilia A. Pfeiffer

Mrs. Mary Allaire-Schnitzer

In Memory of Dr. Dilip K. Renapurkar

Dr. Shravan K. Renapurkar

In Memory of Dr. Ramon L. Ruiz

Dr. Laura Cuty-Ruiz

Dr. Lance F. Grenevicki

In Memory of Ms. Carol F. Triplett

Dr. R. Gilbert Triplett

In Memory of Dr. Robert V. Walker

Dr. James W. McGough

2025 Tribute Gifts

In Honor of Dr. Warren W. Arrasmith

Dr. Christopher M. Bannon

Community Oral Facial Surgery

Dr. Craig Fairburn

Dr. Patrick J. Louis

Dr. Michael E. Miller

Preferred MedSurg, Inc.

In Honor of Dr. Sam E. Farish

Dr. Edward J. Miller Jr.

In Honor of Dr. A. Thomas Indresano
