

Alliance Annual Contribution

The Alliance is a group of volunteers whose goal is to promote the Foundation’s mission with a focus on fundraising events and activities that benefit the OMS Foundation. Through the generosity of its supporters, the Alliance has been able to give back over \$196,000 on behalf of the OMS Foundation. These contributions are used for research grants, operations and resident spouse scholarships. The Alliance also sponsors a variety of networking opportunities for spouses, allied staff, and friends of oral and maxillofacial surgeons during the AAOMS Annual Meeting.

Donors and Patrons:

Annual Donors and Patrons of the Alliance receive Alliance newsletters, updates, and event invitations. All Alliance Donors and Patrons are also recognized at the AAOMS Annual Meeting with ribbons designating their Alliance contribution level.
