

The Robert V. Walker Society New Member Commitment

The OMS Foundation's R.V. Walker Society was established in 1997 to honor Dr. Walker's myriad contributions to AAOMS, the OMS Foundation and the OMS specialty during his lifetime. As a teacher, a mentor and a friend Dr. Walker's commitment to education was unwavering. His namesake Society was created to secure the future of the OMS Foundation and its mission to support research and education.

Membership in the R.V. Walker Society is granted to donors who verify their intention to make a planned gift of \$25,000 or more to the OMS Foundation. To retain membership in the Society you must provide documentation of your gift to the Foundation *within one year* of signing the commitment form. To confirm your commitment to include the OMS Foundation in your estate plan, please complete the form below and return it via mail, email or fax. Thank you for honoring Dr. Walker's vision and generosity of spirit with your gift to support the future of his beloved specialty.
