

New life insurance option offers fast-track to

R.V. Walker Society membership

Donors who make a planned gift of \$25,000 or more to the OMS Foundation are welcomed as members of the Foundation's prestigious R.V. Walker Society. This vision and generosity ensures that a commitment to research and education continues to define the OMS specialty for generations to come.

Treloar & Heisel, a longtime supporter of AAOMS and the OMS Foundation, is pleased to partner with United Life Insurance Co. to offer a new life insurance program that makes membership in the R.V. Walker Society more accessible, especially for early- and mid-career OMSs.

- Qualified donors may purchase a whole-life insurance policy listing the OMS Foundation as owner/beneficiary with coverage options from **\$25,000 to \$100,000** without a medical examination.
- Estimated policy premiums for a qualified 45-year-old non-smoker applicant:

Policy Value	Female	Male
\$25,000	\$7,770	\$8,358
\$50,000 <i>(5-year payment plan available)</i>	\$15,540	\$16,716
\$100,000 <i>(5-year payment plan available)</i>	\$30,388	\$32,318

- Policies valued at \$25,000 or more convey Walker Society membership at the time of purchase.
- This policy delivers an irrevocable gift to the OMS Foundation upon the purchaser's passing.
