# Welcome Our New Board Members

Dr. James A. Baker

The OMS Foundation welcomed **James A. Baker, DDS**, to its Board to fulfill the term of Dale Misiak, DMD.

Dr. Baker has been a practicing OMS in Oklahoma City since 1979. He was Chair and Residency Director of the University of Oklahoma Department of OMS in 1991-92 and has served as an associate clinical professor there since 1994. Dr. Baker has been honored to serve as a past president of the Oklahoma Society of OMS and the Oklahoma Society of Dental Anesthesiology. He is chair emeritus of OMS Partners, LLC, and has served as chair of the Section of OMS at St. Anthony's Hospital and Deaconess Hospital, and department chair at INTEGRIS Baptist Hospital, all located in Oklahoma City.

Dr. Gary F. Bouloux

**Dr. Gary F. Bouloux, DDS, MD, MDSc, FRACDS, FACS**, is a Professor of Surgery and Chief of the Division of Oral and Maxillofacial Surgery at Emory University School of Medicine.

He was Program Director of Emory's OMS residency program from 2013-20, transitioning to interim Chief of the OMS Division. Dr. Bouloux is a leader in evidence-based management of TMJ dysfunction. He has been honored with the Foundation's Research Recognition Award in 2017 and the Daniel M. Laskin Award for the most outstanding article published in *JOMS* in 2018.

Dr. Bouloux is President of the American Society of Temporomandibular Joint Surgeons, an ABOMS examiner and content expert, a *JOMS* reviewer and a member of several committees for AAOMS, OMSNIC and Emory University School of Medicine.

Dr. Jasjit K. Dillion

**Jasjit K. Dillon, DDS, MBBS, FDSRCS, FACS**, is a professor and Program Director of the University of Washington's Department of Oral and Maxillofacial Surgery and Chief of Harborview Medical Center's OMS Department.

Dr. Dillon holds medical and dental degrees from institutions in the United States and the United Kingdom. She is a member of AAOMS, IAOMS and BAOMS and serves as an AAOMS District VI Delegate, ABOMS examiner and Treasurer for the Washington State Society of Oral and Maxillofacial Surgeons. She is a member of several AAOMS committees.

Dr. Dillon's proposal for clinical investigation of adjunctive pentoxifylline and tocopherol in the treatment of medication-related osteonecrosis of the jaw was awarded the Foundation's \$75,000 Research Support Grant and its 2016 Stephen B. Milam Award. She is also a 2010 Faculty Educator Development Award (FEDA) recipient.

## A message from the Chair

In 2021, the fourth year of its Strategic Alliance with AAOMS, the OMS Foundation continued on the upward trajectory predicted by the architects of that Alliance. The changes to our infrastructure implemented in 2018 continue to deliver value to our donors, funding recipients, volunteers and the specialty as a whole. I'm proud to report that your Foundation posted significant achievements in this (mostly) post-pandemic year.

### Research and education

Projects stalled by the pandemic received deadline extensions to facilitate completion in 2021. Among them was [OMOSATS \(Oral and Maxillofacial Objective Structured Assessment of Technical Skills\)](#), an eight-station skills-assessment program designed to provide practical feedback to aspiring OMSs and their training programs. It was a project worth waiting for, and one that is likely to pay dividends in the training of future OMSs.

While most investigations impacted by COVID-19 were back on track in 2021, ongoing concerns about international travel resulted in another disappointing year for aspiring Global Initiative for Volunteerism and Education (GIVE) applicants. While no GIVE stipends were awarded in 2021, unused funds remain available to support future awards.

Our Committee on Research prides itself on recognizing research – and researchers – with potential. In 2021, [Drs. Simon Young and Chi T. Viet each received major funding from the NIH](#) to continue OMS-specific research begun with Research Support Grants from the Foundation.

[Investigations selected for funding in 2021](#) address issues that are top of mind for the OMS specialty: anesthesia safety, healing and technology. Our second \$150,000 Clinical Research Support Grant was awarded to the University of Michigan in 2021 – a year ahead of schedule – to [develop and validate an anesthesia simulation training curriculum for oral and maxillofacial surgery](#). Each of these projects holds promise to expand our knowledge base, enhance patient safety and deliver better outcomes for our patients. None of them would have gotten underway without your support.

### Fundraising

Last year's expedited clinical research award was made possible by our [OMSFIRE \(OMS for Innovation, Research and Education\) donors](#), whose generous five-year commitments ensure the availability of resources for important multi-year projects such as this one. Sixty-five donors helped launch OMSFIRE in 2020. We welcomed 72 new OMSFIRE donors in 2021, including nine OMS societies and six corporate donors. The program continues to grow.

A gift-match challenge supported by U.S. Oral Surgery Management helped to raise more than \$127,000 in May-June for the Foundation's Annual Fund. Our year-end appeal, bolstered by a gift-match challenge from OMS Partners, LLC, added another \$275,000 to the Annual Fund in 2021.

[Our 2021 Annual Meeting](#) was similarly successful. We were pleased to recognize the [recipients of our Foundation Awards](#) onstage at the opening ceremony. Our Alliance

Louis K. Rafetto, DMD, MEd  
OMS Foundation Chair

Committee welcomed five new families to the AAOMS community and raised \$17,000 for the Global Initiative for Volunteerism and Education (GIVE) at our [Alliance events](#) in Nashville, Tenn.

On Friday, at the Foundation's exclusive R.V. Walker Donor Recognition Reception, GIVE donors mingled with volunteers, OMSFIRE donors, grant recipients, new and recurring Annual Fund donors, and (of course) our cherished Walker Society members. We had ample cause for celebration: The value of donations and commitments received at the 2021 Annual Meeting exceeded \$1.4 million, including 18 new OMSFIRE commitments, major gifts from Dr. Colin and Susan Bell and Dr. Daniel and Adaline Klemmedson, and a legacy gift valued at \$850,000 from Dr. Richard and Mary Panek. The Paneks' gift brought the Foundation's [new and upgraded Walker Society commitments for the year](#) to \$1.04 million.

Along with its Annual Fund, GIVE and legacy donors, our 2021 Donor MVP list included a group of Florida Society members (and others) who collectively contributed more than \$50,000 to the Foundation to [honor Dr. James A. Davis Jr. and his wife, Judy](#). Dr. Davis devoted his career to serving his patients and

his specialty. Colleagues and friends from as far away as Washington expressed their admiration with an outpouring of support for one of the Davis' favorite causes, the OMS Foundation. We are honored and grateful to the Florida Society for facilitating this extraordinary tribute.

### Communications

Communicating effectively with our stakeholders in the OMS specialty is always at the top of our priority list. In 2021, the Foundation launched its electronic newsletter, TORCHlight, designed for busy OMSs. Published in March and September, TORCHlight highlights the scientists, volunteers and donors who implement our mission and inspire us to excellence. You also will find news about the Foundation in [the TORCH](#), *AAOMS Today*, on the ["News and Events" page](#) at OMSFoundation.org and in AAOMS e-newsletters.

### Leadership

I would like to express my gratitude to the Foundation's Board of Directors for its dedication to the Foundation's mission during this past year and its pragmatic stewardship of the resources entrusted to us. Under its leadership, the Foundation ended the year with approximately \$18 million in net assets and allocated \$655,000 for research and education in 2022. We welcomed Dr. James A. Baker to our Board in 2021. Dr. Baker was elected to fulfill the remainder of Dr. Dale Misiek's term upon Dr. Misiek's retirement.

Lastly, every achievement I've cited was underwritten by the generous support of you, our donors. We are grateful beyond measure to the individuals, practices, companies and OMS societies who support our mission through OMSFIRE and other gifts to the Annual Fund, and to our R.V. Walker Society members, whose legacy gifts will sustain the specialty well into the future.

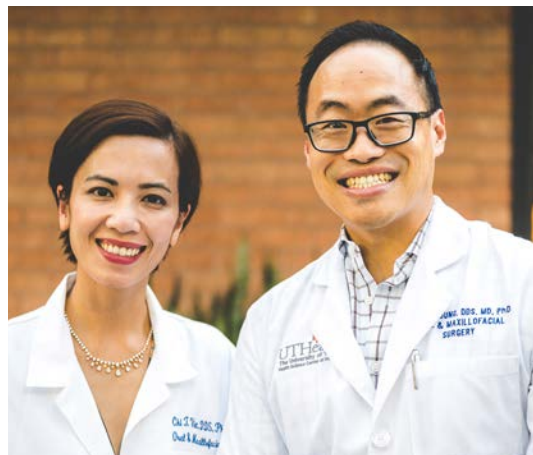

Sincerely,

Louis K. Rafetto, DMD, MEd

## Corporate giving continues to grow in 2021

---

Riding a wave of cautious post-pandemic optimism, the Foundation welcomed five new corporate OMSFIRE donors in 2021, nearly doubling its corporate contributions over the previous year and ensuring a consistent revenue stream through 2025.

Gift-match challenges from USOSM and OMS Partners, LLC offered donors an opportunity to “double their impact” during the Foundation’s crucial mid-year and year-end appeals. With USOSM’s \$25,000 match the May-June appeal raised \$127,000 for the Annual Fund. OMS Partners, LLC’s \$25,000 year-end challenge helped to generate \$250,000 in new gifts to the Annual Fund in November and December. Both companies have supported the Foundation as gift match challenge partners since 2019, and the “buzz” generated by these challenges has consistently produced revenues far beyond the challenge goals.

OMS Partners, LLC and Beacon Oral Specialists joined Treloar & Heisel as Platinum OMSFIRE corporate donors in 2021, committing to donate \$20,000 each to the Annual Fund in 2021-2025. Treloar & Heisel was the Foundation’s first corporate OMSFIRE donor, announcing at the 2019 Dental Implant Conference its commitment to a Platinum gift of \$20,000 annually for five years.

OMSNIC added a Gold OMSFIRE commitment to its annual contribution, committing \$10,000 annually in 2021-25 along with its perennial gifts of \$7,500 to support the Norma L. Kelly Resident Spouse Scholarship program and \$2,500 for GIVE. In addition, every OMS on the OMSNIC Board of Directors personally supported the Foundation with an OMSFIRE gift in 2021.

USOSM and Pacific Dental Services enrolled as Silver OMSFIRE donors in 2021 with commitments of \$5,000/year for five years, and HampMED joined the corporate OMSFIRE roster at the Annual Meeting with a Bronze commitment of \$2,500/year for five years.

Generous multi-year OMSFIRE commitments from its corporate donors are helping to support and expand the Foundation’s capacity to serve the specialty, and are deeply appreciated.

## Alliance events hit the right notes in Nashville

The OMS Foundation Alliance celebrated its 27th year with a flourish in Nashville, Tenn., raising more than \$17,000 for Global Initiative for Volunteerism and Education (GIVE) and welcoming five resident families to the AAOMS community.

With financial support from OMSNIC, the Alliance hosted five Norma L. Kelly Resident Spouse Scholarship winners at the AAOMS Annual Meeting, where they were guests of honor at the Alliance's well-attended daily Health Walks as well as the Luncheon and FUNraiser for GIVE.

At the luncheon, Navy Lt. Cmdr. Bruno Kuloba, DDS, recounted his experiences as a humanitarian healthcare volunteer with Smile Bangladesh and thanked the Alliance for funding the GIVE stipend that covered his travel expenses. Gina Venier, a Nashville singer-songwriter, provided entertainment and delighted the crowd with a song about GIVE she composed for the occasion.

Thanks to generous gifts from Canfield Inc., OMSNIC, Dr. Barry and Lana Hendler and others, the Alliance funded six new \$2,500 GIVE stipends in 2021. This year's Alliance Committee included Chair Ellyn Hutton, Vice Chair Stacy Erickson, Past Chair Angie Henderson and Olga Schwartz.

# R.V. Walker Society

The OMS Foundation's Robert V. Walker Society was established in 1997 to honor Dr. Walker's myriad contributions to AAOMS, the OMS Foundation and the OMS specialty during his lifetime. Dr. Walker was a teacher, a mentor and a friend, and his commitment to education was unwavering. His namesake society was created to secure the future of the Foundation and its mission to support research and education.
